

PROVIDER ALERT

ABA - BILLING FOR REMOTE SUPERVISION

JUNE 5, 2018

Beacon has completed all of the required system updates related to the new regulations found in COMAR 10.09.28. Providers may now submit claims for all previously authorized remote supervision services that have been rendered since April 1, 2018.

When billing for remote supervision, providers should bill one (1) unit of 0368T/GT code for the first 30 minutes of the supervision session and one (1) unit of 0369T/GT code for EACH additional 30 minutes rendered during the session. The GT modifier should be entered in the field found below "Modifier Code 1", which is highlighted in the following screenshot:
