

PROVIDER ALERT

New ABA Treatment Plan Template

August 3, 2023

Target Audience: Applied Behavior Analysis Providers

Optum Maryland would like to announce the availability of a new [Treatment Plan template](#) which can be viewed on the ABA Providers section of the Optum Maryland website on the [Provider Manual & Form](#) page.

While the treatment plan template is not required at this time, we highly encourage providers to review the template and either adopt the layout or adjust their current templates to ensure all areas are accounted for.

As the network continues to grow, our hope is to streamline the review process by bringing some standardization to the treatment plans sent for review which should allow the Clinical Reviewers to:

1. Spend less time searching for specific components
2. Allow for more in-depth reviews
3. Allow additional time for more reviews

For any questions related to this Provider Alert, please contact Optum Maryland at ombhaba@optum.com.

Thank you,

Optum Maryland Team
